

Web developer

# YOUSSEF JEMMANE

## CONTACTS

yous.jemm@gmail.com  
0675396915

## PROFILE

I'm studying web development I have all the basics to create a simple web site with HTML, CSS, JS, MySQL and PHP

## SKILLS

Time management  
Team worker

## PROJECTS

Shop with JS

I use checkbox button to check every choice and i create a valide function that linked with a button if i click the button it will show every choice

CRUD with PHP & MySQL

I can create data and show it in a website, I can update the data if it was a wrong insert and I can delete the data
